Kochi: Consistent efforts by ICAR-CIFT along with other agencies such as Export Inspection Council and the Marine Product Export Development Agency helped lift the ban imposed by European Union on seafood export from India in 1997, said Sanjay Dave, member of the Scientific Advisory Committee, Food Safety Standard Authority of India. He was speaking at the valedictory function of the 15-day international training programme held by ICAR-CIFT on ‘Recent Trends in Harvest and Post-Harvest Technologies in Fisheries’.
