IMPORTANCE OF FISHERIES STRESSED

DC CORRESPONDENT
VISAKHAPATNAM, JULY 30

Indian Council of Agricultural Research and Central Institute of Fisheries Technology organised a national seminar on "Opportunities and Challenges for sustainable development of Indian Fisheries" in Visakhapatnam on Tuesday.

A total of 44 presentations that include 21 oral and 23 poster presentations were made by the delegates on different themes related to aquaculture.

Addressing the meeting ICAR, New Delhi assistant director-general Pravin Putra said that fisheries play an important role in national economy and thus a new ministry was set up as Ministry of Fisheries.
